PUBLIC AFFAIRS PROGRAMMING

SECOND QUARTER, 1992

WIIB is an affiliate of the Home Shopping Network and as such broadcasts the Home Shopping Club twenty-four hours each day, seven days a week. Of this, WIIB reserves five and one half minutes each hour for promotions, public service announcements, a community bulletin board and short-segment community affairs programs. WIIB also reserves a four-hour block of time on Sunday morning during which a one or one-half hour public affairs program and one hour of children's educational programming is aired.

PUBLIC SERVICE ANNOUNCEMENTS

During the Second Quarter, 1992, WIIB used twelve four and one-half minute breaks each day to air public service announcements. Each four and one-half minute break contained an average of eight PSA's which addressed a variety of public interest issues: safe driving, AIDS awareness, various public safety and health concerns; the environment, youth activities and organizations, child safety, education, drug and alcohol abuse prevention and treatment, charities and social service agencies and selective service opportunities.

Computed on a quarterly basis, WIIB aired the following public service announcements:
